Good morning Marlin,

I have assembled a five person team currently conducting a rigorous online search. I hope to have a collated list to you before lunch. So far we have two trucks you identified here in Canada (Edmonton & BC) and we have three in the USA (Montana, Idaho and California).

Good morning gentlemen,

I have been tasked to identify and purchase heavy-lift tow trucks that are currently available for sale. Obviously, these will be utilized to assist the RCMP in dismantling roads blocks / protest sites to the south (This is a sensitive matter, so please safeguard accordingly)

PHASE 1 – Research

- I need at least 4 people to do online research for available heavy-lift tow trucks in Canada (preferred) & USA
 - They need to be Internet savvy
 - Familiar with sites such as Kijiji, Truck Trader etc.
- Two examples, that I just found, would include ads such as:

https://www.kijiji.ca/v-heavy-trucks/edmonton/1998-freightliner-classic-nrc-quick-swap-heavy-tow-truck/1603564566?siteLocale=en_CA

https://www.kijiji.ca/v-heavy-trucks/penticton/2003-kenworth-t800-heavy-wrecker-tow-truck/1573088824?siteLocale=en_CA

- I would then require a collated list or table that includes the make, model, year, millage, a suitable picture, Location, asking price, web link and confirmation the item is still available.
- Completed list/table is due for noon today.
- Please send candidate names to me by 9:30. I will then arrange a Teams Meeting.

PHASE 2 & 3 - TBA

I appreciate all teams are way overly taxed as it is right now. Notwithstanding, I will thank you in advance for your valiant efforts in making this work.

Kind regards,

Peter
